Agasti Arts, Commerce & Dadasaheb Rupwate Science College, Akole

Date: 13 February, Friday

A one day workshop on “Dairy Production and Management” was jointly organized by the above mentioned institutions. The program began with a formal inauguration by Prof. Dr. Wagh B.D. – Principal, SMBST College and welcome address by Dr. Ghaywat L.D. – Head of Zoology Department and IQAC Coordinator.

The chief resource person, Mr. Akshay Kuladharan, delivered an informative session covering modern practices in dairy farming, value addition, animal health management, and marketing strategies.

1) Breeds of Cows

The speaker explained the importance of selecting suitable breeds for profitable dairy farming:

Gir – High milk yield and adaptable to hot climates, Sahiwal – Good milk production and strong disease resistance, Jersey – Efficient milk production with lower feed intake, Holstein Friesian – Known for very high milk yield, Proper breed selection plays a crucial role in the success of dairy enterprises.

2) Milk Products

Various value added milk products were discussed, including: Butter, Ghee, Paneer, Curd and Cheese. Value addition increases farmers’ income and enhances market opportunities.

3) Adulteration – A Slow Poison

Milk adulteration was highlighted as a serious health issue. Adulterants such as water, urea, and detergents can cause long term health problems. The speaker emphasized the importance of producing and consuming pure and organic milk.

4) Management of Health of Milk Yielding Animals

Key aspects discussed: Regular vaccination, Balanced nutrition, Clean housing conditions, Periodic veterinary checkups, Healthy animals ensure better milk quality and higher productivity.

5) Organic Food Production

Organic dairy farming increases consumer trust and market value. Chemical free production leads to healthier food and higher demand in the market.

6) Use of Social Media in Marketing

The importance of digital platforms was emphasized: Direct customer engagement through Facebook, Instagram, and WhatsApp. Online promotion of products. Digital order management. Social media helps expand business reach efficiently and cost-effectively.

7) Presentation of Products

Effective product presentation includes: Attractive packaging, Quality certification, Brand development and logo design, Building customer trust, Proper branding and presentation significantly improve sales.

Conclusion

The workshop proved to be highly informative and beneficial for students. It provided valuable insights into modern dairy practices, animal health management, organic production, and digital marketing strategies.

The program was successfully conducted with the active participation of students and faculty members.

Chief Guest & Dignitaries

Mr. Akshay Kuladharan – Founder, Swadaratna E. Oil and Food

Dr. Ghaywat L.D. – IQAC Coordinator

Prof. Dr. Wagh B.D. – Principal, SMBST College

To,

The Principal

SMBST College, Sangamner

Dist: Ahilyanagar

Respected Sir,

I kindly request your permission to organize a One Day Workshop on "Dairy Management and Production" in the Department of Zoology, SMBST College, Sangamner. The purpose of this workshop is to improve students' knowledge about modern dairy farming practices, production methods, management techniques, and career opportunities in the dairy field.

This workshop will be organized in collaboration with Agasti Arts, Commerce and Dadasaheb Rupwate Science College, Akole, and Adv. Manoharrao Nanasaheb Deshmukh Arts, Science and Commerce College, Rajur.

For organizing this workshop, an amount of ₹4000 is required for the educational visit and guest lecture expenses.

Therefore, I kindly request you to grant permission and approve the required amount for conducting this workshop.

Thanking you.

Yours faithfully,

Dr. L. D. Ghywat

(Head of the Department)

SMBST College, Sangamner

Congratulations
