❖ Conclusion

The industrial visit to Sonfus Pharma Pvt. Ltd. was highly informative and provided practical exposure to industrial processes. It enhanced our understanding of real-world business operations and the importance of technological advancements in the industry. The industrial visit to Sonfus Pharma Pvt. Ltd. provided invaluable insights into the pharmaceutical industry's operations, quality control measures, and research initiatives. We witnessed firsthand the company's commitment to producing high-quality medicines, adhering to stringent regulatory standards, and fostering a culture of innovation. This visit not only enhanced our theoretical knowledge but also instilled a deeper appreciation for the intricacies of the pharma industry. We are grateful for the opportunity to learn from the experts and look forward to applying these learnings in our future endeavors.

❖ Recommendations

- Future visits could include interactive Q&A sessions with employees.
- A hands-on training session would further enhance learning.
- More industries from different sectors should be included in future visits.
