Soft Skill Development Programme

Science Faculty always focus on innovative activities concerning the students advancement. The report regarding it is as follows:

❖ Introduction

As part of the institutional effort to enhance student employability and holistic development, the Science Faculty organized a **Soft Skills Development Program** from **10th October to 17th October 2024**, under the guidance of the Internal Quality Assurance Cell (IQAC). This initiative was aligned with NAAC's quality benchmarks for student support and progression.

❖ Objectives of the Program

- To enhance communication and interpersonal skills of students.
- To provide guidance on resume building and interview preparedness.
- To install a positive attitude and professional ethics.
- To equip students with career planning strategies.
- To improve overall personality and confidence for workplace readiness.

❖ Details of the Program

The program was conducted for from 10th October to 17th October 2024 and included a series of lectures, workshops, and interactive sessions. Resource persons included faculty members of our college and invited experts from industry and academia. The inaugural function was held under the guidance of **Prof. J. D. Arote** (Retired professor of same college), following the lectures from all the science faculty members. Each day was incorporated with three sessions of different lectures.
