National Service Scheme

Special Camp at Deogaon (from 3rd January 2023 to 9th January 2023)

Tal. Akole, District Ahmednagar

Report (2022-23)

Savitribai Phule Pune University and Adv. M. N. Deshmukh College of Arts, Science and Commerce, Rajur organized a special camp of National Service Scheme at village Devgaon from 3rd January 2023 to 9th January 2023. The theme of these special camps was 'Youth's Aspiration for rural and urban development' under the Amrit Mahotsav of Indian Independence. The camp was inaugurated on Tuesday, 3rd January 2023 at 4.00 pm, by auspicious hand of PSI Sheikh of Rajur Police Station.

In this camp various experts delivered lectures on various topics e.g. by Hon. Revannath Deshmukh (Sai nt Gadge Maharaj and Rural Development), Dr. D.K. Gandhare (Contribution of Youth in Village Development), Prof. J. D. Arote (Addiction Free Village), Dr. P.T. Karande (Tourism as an Employment), Dr. V. N. Gite (Environment Protection). Shri. D. D. Padawale (Forest Range Officer, Rajur) delivered Lectures on 'Organic Agriculture and Progressive Farmers.'

Various activities were implemented in this camp. Volunteers cut the unessential grass and hazardous plants of the first tribal revolutionary Raghoji Bhangre memorial and also cleaned the village temples, primary school premises. Also, trees were planted in temples and school premises. The pits were dug to plant trees in the revolutionary Raghoji Bhangre memorial area. Also, all the internal roads were repaired by adding soil. Overall, activities such as village cleanliness, environment conservation, tree plantation, de-addiction, labor culture, child marriage ban, new voter registration activities and village survey and disease diagnosis camp were implemented in this camp.

Heath Check-up Camp organized with the help of Primary Health Center. For this Mr. Prashant Tapase (CHO Community Health Officer), Mr. Pankaj Rajguru (CHO), Supriya Sadgir

(CHO), Dr. Sunil Bade, Sister Bhangare, Sister Rohkale etc. were successfully conducted with the help of doctors and nurses. In this camp, villagers, women, children, residents of devgaon village were participated. In this camp expert doctors gave advice and medicine pills, blood pressure, sugar, headache, toothache, stomach disorders.

In this camp debating competition, group discussion, village survey, cultural program organized for volunteers and villagers.

Tribal Culture Workshop (2021-22)

Report

Savitribai Phule Pune University, Pune, Student Development Board and Student Development Board of our college organized a one-day tribal cultural workshop on Thursday, 3rd March 2022 in the academic year 2021-22. A workshop was organized in the college with the objective of equal development of tribals. This activity was implemented as per university guidelines.

The tribal cultural workshop camp started on Thursday. 03 March 2022 at 8.30 am. The first session of the program was inaugurated by Shri. Rajendra Bhawari, Integrated Tribal Development Project, Rajur. The tribal community is simple, honest, hardship because it is far from the mainstream of society. The government seems to be making every effort for their development. The tribals have made a great contribution in the Indian Independence Movement. Raghoji Bhangre, Birsa Munda, Rani Durgavati, Bhagoji Naik and Tantya Bhill rebelled. The tribal community should become enlightened and stay away from addiction. Therefore, tribal development and tribal culture will be studied. They have been given constitutional protection through the sacrifices of the tribals. Such assertion is made by Hon. Shri. Rajendra Bhawari (Integrated Tribal Development Project Officer).

In the second session (12.00 pm to 12.30 pm) Mr. Gaikwad Delivered lecture on that 'Tribal culture.' He said that tribal society has never used this love for nature and animals for their own benefit. On the contrary, nature preservation has been done by tribal society. Also, gender equality is saved by tribal society. Today tribal culture, crafts are disappearing. It is very important to preserve it for future generations. At this time, he expressed the opinion that storage of wealth is not very important in tribal society, because their needs are very limited.

The afternoon session. Shri Panhale Shriram said, tribal society is moving towards modernity, the history of tribal society will never be lost. So these people are also seen working in various jobs and professions. These people are physically healthy as they live in close to nature, education is now leading them to a great extent in various good jobs and professions as well as even in education as the financial situation is desperate

Activity Report

Activity Name	Tree Plantation
Date	15/08/2021
Organizing Department	National Cadet Corps
Activity conducted for	Environmental Awareness
Information about activity	In these days due to pandemic situation, we understand the importance of oxygen level in our body. Trees are the only producer of oxygen. Trees reduce the Greenhouse effect by removing carbon dioxide from the air and releasing oxygen. Trees also preserve warmth by providing a screen from harsh wind. In addition, they shield us from the downfall of rain, sleet and hail. Trees also lower the air temperature and reduce the heat intensity of the greenhouse effect by maintaining low levels of carbon dioxide. The NCC cadets actively participated in the activity. The activity was conducted under the guidance of Principal Dr. B. Y. Deshmukh,
Outcomes	The improvement of air quality and environment in college campus

Energy Sources Workshop
(Thursday, 27th February 2020)
Report

Savitribai Phule Pune University, Pune, Student Development Board of our college jointly organized 'Energy Sources Workshop' on 27 February 2020. The aim of this one-day workshop was to create energy awareness among the college students by informing them about the current energy crisis, providing information about conventional and non-conventional energy sources and their importance, providing information about future non-conventional energy sources and making students aware of new professional opportunities in this field. The workshop was organized in the college.

The workshop was inaugurated on Thursday, 27 February 2020 at 10.30 am. Mr. Dr. Sundarrao Dhakne (Head of Material Science College, Otur), Hon. Dr. Ramesh Bhise, Ale College, Ale, Principal Dr. B. S. Deshmukh, Prof. Sanjay Kadlag (S.D.O.), Prof. Thorat S. K. were present for inauguration ceremony. Student Development Officer Prof. Sanjay Kadalg explained the motive behind the organizing the workshop. While this time, Principal Dr. B. S. Deshmukh said that necessary to organize such workshops for the college students to familiarize themselves with the current state of technology and other important subjects along with their regular curriculum.

In the first session Hon. Dr. Sundarrao Dhakne delivered lecture on the topic "Advantages, Disadvantages and Limitations of Traditional Energy Sources." He explained the various types of traditional energy sources, reserves of traditional energy sources, their increasing use and the adverse impact on the environment and their limitations. Coal, natural gas, the reserves of crude oil are limited and he elaborated on the available reserves.

Lunch was served to the students from 1.00 pm to 2.00 pm.

The second session Hon. Dr. Ramesh Bhise, Ale College, delivered lecture on "Generation, Utilization and Importance of Different Non-Conventional Energy Sources." He discussed different types of non-conventional energy sources like solar energy, wind energy, biomass, geothermal, marine etc.

Activity Report

Activity Name	Tree Plantation
Date	28/07/2019
Organizing Department	National Cadet Corps
Activity conducted for	Environmental Awareness
Information about activity	Trees reduce the Greenhouse effect by removing carbon dioxide from the air and releasing oxygen. Trees also preserve warmth by providing a screen from harsh wind. In addition, they shield us from the downfall of rain, sleet and hail. Trees also lower the air temperature and reduce the heat intensity of the greenhouse effect by maintaining low levels of carbon dioxide. The NCC cadets actively participated in the activity. The activity was conducted under the guidance of Principal Dr. B. S. Deshmukh,
Outcomes	The improvement of air quality and environment in college campus
Number of students participated	50
